Tschabalala Self: Around the Way at EMMA, Espoo, Finland: May 8, 2024 – May 4, 2025

This month, a new exhibition at EMMA in Espoo – an easy day trip from the Finnish capital of Helsinki – will turn the spotlight on Tschabalala Self, offering viewers a chance to experience the ascendant US artist’s exquisite multi-material paintings and sculptures first-hand. Drawing on Self’s own experiences as a Black American woman, these expressive compositions depict figures in various states of abstraction and distortion to present “a new kind of narrative about the Black body”.
