EVENT HORIZON: ART HAPPENINGS AROUND NEW YORK

9 Art Events to Attend in New York City This Week

BY *The Editors of ARTnews* POSTED 11/05/18 11:45 AM

THURSDAY, NOVEMBER 8

Opening: Seth Price at Petzel

Seth Price's first show in six years with Petzel, "Hell Has Everything," will feature paintings made using a variety of techniques—printing, collage, photography, and chemical manipulation among them. Earlier this year, at MoMA PS1, Price showed a series of photo-based works that resembled skin, and that remains a focus here with new works for which Price utilized a video projection via robotic camera that tracked the contours of a squid's body. Alongside these works will be a series of black-and-white light boxes depicting the computer glitches resulting from failed attempts to photograph skin.

Petzel, 456 West 18th Street, 6–8 p.m.
